- > Sept. 4th Balance- \$4.622 billion
- > Monthly benefit payments and operating expenses were \$10 million.
- >
- > McCalla's FY 2008 Realized Rate of Return, Sept 4, 2008 report-
- > (determines 13th Check and Corbett for Dec. 2008).
- > Quarter ended 9-30-07 was +2.71%
- > Quarter ended 12-3-07 was +2.84%

- > Quarter ended 3-31-08 was +0.24%
- > Quarter ended 6-30-08 was +0.83%
- > Total for fiscal year was +6.76%
- >
- > From Financial Statement Account Variance Analysis for the month
- > ended July 31, 2008 and July 31, 2007-
- > Fund balance up \$232,758,733 or 5.55% since previous year.
- > Balance July 31, 2008 was \$4,427,097,046.
- > Balance July 31, 2007 was \$4,194,338,313.
- >
- > SDCERS Board's Press Release -
- > Steve Meyer read the whole release into the record. Below are
- > highlights from Sept. 17th "SDCERS Maintains Its Long-Term Focus
- > Despite Wall Street Woes". Contact is David Wescoe, SDCERS'
- > Administrator/CEO.
- > "SDCERS has weathered turbulent economic times in the past and will
- > weather these as well. Because any public pension plan such as
- > SDCERS is investing for the long-term, periods of short-term
- > underperformance are offset by years when marketing performance is
- > better, such as fiscal year 2007 when the Fund was up +16.25%.
- > Sound, well-diversified investment strategies have enabled SDCERS
- > to ride out difficult times and to consistently deliver on its
- > obligation to pay benefits. The worse investment strategy is to
- > overreact to short-term issues, which always translates into
- > selling low and buying high. This is a bad policy that SDCERS does
- > not follow."
- > "SDCERS' investment return for the quarter ended June 30, 2008 was
- > +0.19%. For the fiscal year ended June 30, 2008, the portfolio's
- > preliminary return was -4.64% (non-public real estate lag one
- > quarter for pricing and appraisal data). For the three and five
- > fiscal years ended June 30, 2008, SDCERS annualized return were
- > +7.77% and +10.76%, respectively. For all of these periods,
- > SDCERS' investment performance has ranked in the top half when
- > compared to other public pension plans. For the ten-year period
- > ended June 30, 2008, which includes the 2000-2002 bear market (the
- > worst such period since the Great Depression), SDCERS' annualized
- > investment return was +7.94%, which ranks in the top 3% of public
- > pension plans. Over this ten-year period, Trust Fund assets have
- > more than doubled from \$2.13 billion to \$4.69 billion."
- > "SDCERS' investment report for the quarter ended September 30, 2008
- > and final fiscal year 2008 performance results will be available in
- > October."

- >
- > ASSUMED RATE OF RETURN REDUCED:
- > 5 YEAR REVIEW OF ACTUARIAL ASSUMPTIONS IN EXPERIENCE STUDY-
- > The Board adopted the complete package of assumption changes that
- > Cheiron, SDCERS' actuary, recommended. (There were more adjustments
- > than investment return and inflation than are included here.) The
- > expected investment return (sometimes called the discount rate or
- > assumed rate of return) was reduced to 7.75% from 8%. And the
- > inflation rate was reduced to 4% from 4.25%. Cheiron thought this
- > "balancing" would result in annual costs close to last year and was
- > more conservative for the plan sponsors. Board President Hebrank
- > added that the City is aware of Cheiron's proposed change.
- > Steve Meyer said he doesn't think that he has ever seen an
- > experience study that didn't recommend 7.75%. Cheiron added that
- > SDCERS' investment consultant has estimated a 7.8% total return.
- > Mark Hovey, SDCERS' CFO, noted that assumption changes are
- > amortized over 30 years. A Board Member added that amortization of

- > the UAAL is still 20 years. Trustee Bill Sheffler reminded Trustees
- > that employee contribution rates could be affected, along with
- > employer annual contributions.
- >
- > ASSUMED RATE NO LONGER LINKED TO DROP INTEREST
- > Active DROP- Due to the IRS requiring specific interest rates, the
- > City Council voted, in 2008, to put the specific interest rate for
- > DROP into SDCERS' Board Rules. ( MOUs are not in the Municipal
- > Plan, and are not considered a SDCERS plan document by the IRS.)
- > Trustees may update interest rates via the Board Rules. Currently
- > Board Rules state the interest on active DROP is 8%. DROP interest
- > rates are reviewed annually by Trustees in November.
- >
- > Retired DROP- Interest rates are permanently set when active DROP
- > goes to retired DROP, per the IRS.
- >
- > WHEN RECUSING IS NECESSARY
- > Elaine Reagan, General Counsel, said that if Trustees fail to
- > recuse and instead vote on a contract in which they have a conflict
- > of interest (such as DROP interest, when the Trustee is active
- > DROP), they are subject to civil and criminal penalties and void
- > the vote of the Board, as well as risk losing their own contract
- > (DROP).
- >
- > AUDIT COMMITTEE
- > The Audit Committee's Chair, Armon Kamesar, began the meeting with
- > a quote from Dickens- "It was the best of times and the worse of
- > times".
- >
- > Audit Investment training by Doug McCalla- See McCalla's comments
- > at the beginning of my notes.
- >
- > 2007-2008 CAFR:
- > Outside Auditor, MGO will start the 2007-2008 audit for the CAFR on
- > Sept. 22nd. Internal Auditor, Bob Wilson reported to the Board
- > that MGO is expecting to send an opinion letter the week of Nov.
- > 17th. The CAFR is on schedule for the first time in five years.
- > The Audit Committee may meet in November, after all, to review the
- > draft CAFR, rather than wait until their regularly scheduled
- > 10:00am Wednesday, December 17th meeting. Watch for a new date/time.
- >
- > The audit will cover actuarial information, fair value for
- > investment portfolio, retirement benefits, and test mid-November
- > credit quality. (Due to the market conditions, MGO feels it will be
- > challenging to evaluate the market value of SDCERS' assets. SDCERS'
- > change to market value will reduce MGO's work. Formerly SDCERS used
- > book value.) It will also evaluate SDCERS' approach to significant
- > risk of material misstatement due to error or fraud, SDCERS'
- > approach to internal controls, consideration of materiality, and
- > governing body.
- >
- > Driven by national problems of the late 1990's and early 2000's,
- > and new this year, MGO will be documenting SDCERS' Internal
- > Controls of significant transaction streams: investment, benefit
- > payments and financial reporting. While still short of SEC
- > regulation standards, MGO will look at SDCERS' evaluation of the
- > organization's risks, and the corresponding controls that SDCERS'
- > has put into place. They plan to use a matrix check off. MGO may,
- > or may not test the controls. MGO will report on negative
- > exceptions to any of the required steps. MGO said that SDCERS is
- > already 5 or 6 steps of the curve because it has already

- >
- > Former Spouses Excluded From Surviving Spouse Continuances
- > Board approved by 12-0 to approve staff recommendation. Applies to
- > future retirees. Contact SDCERS for more information.
- >
- > Some Board Rule and Charter Changes Were Delayed By Board
- > \* Changes that were adopted: Added language for Administrator to
- > set the agenda. Travel Policy now varies from the City. Marketing
- > was already included under Conflict of Interest Policy. Board
- > Communication Policy minor changes. Public Records requests'
- > directions already in law, and will be overseen by SDCERS legal
- > staff to assure compliance with the Code.
- >
- > \* Returned to staff for more research and comparing to other systems:
- > 1) How do other pension systems handle the hiring of outside
- > Counsel/consultants for opinions?
- > Staff suggested substantive changes included increasing the
- > Administrator/CEO authorization from \$10,000 to \$50,000, and the
- > "Board President's authorization was deleted, with any requests
- > over \$50,000 requiring Board approval".
- > Board discussion: Do committee chairs, Board Presidents and/or
- > Administrator/CEOs have authority? Sullivan asked what if a
- > Committee wants a legal or fiduciary opinion? Elaine Reagan,
- > General Counsel, recommended always going through staff to avoid
- > unnecessary expense. Does the Administrator have final approval? Jo
- > Anne SawyerKnoll, and President Tom Hebrank argued for emergency
- > authority for situations that are unexpected and asked who is
- > successor to the Administrator/CEO for decision making. Elaine
- > Reagan answered that it depended on which department of SDCERS had
- > that expertise. (If you missed Wescoe's comments in these notes, it
- > was because he was out of town for the meeting and weekend.)
- > Looking at it from another side, the Board asked, for example: if a
- > Board President, who does not have day to day knowledge, should
- > have authority up to \$50,000? They asked if a future Administrator/
- > CEO would have a personal reason to withhold hiring of outside
- > counsel, was on vacation or medically unavailable, and it was
- > difficult to gather the full Board? Reagan argued that if the CEO
- > refused, that there would be bigger problems than just hiring an
- > outside legal opinion, and that Fiduciary counsel was on retainer
- > already.
- > Hebrank wanted to be sure there were not too many restrictions and
- > asked if the Board President only had authority to run meetings?
- > The suggestion was perhaps to have both the President and
- > Administrator/CEO to sign off. Joe Flynn is interested in following
- > this item when it comes back from staff.
- > 2) Who has authority to settle claims or lawsuits? How much rests
- > with the Board and how much with the Administrator? "No substantive
- > changes other than increasing the Administrator/CEO's settlement
- > authority from \$5,000 to \$20,000" and re-incorporating guidelines
- > from adoption in October 1998. What do other systems do?
- > 3) How members may appeal staff benefit decisions, at first though
- > the Member Services Director and then to the Administrator/CEO, up
- > to the Business & Governance Committee. "Members will be advised of
- > their appeal rights at every step throughout the appeal process."
- > Board referred this back to staff for more information.
- >
- > LEGAL- Legal trials can now be followed on SDCERS' web site.
- >
- > Chief Compliance Officer, Roxanne Story Parks' report-
- > 1) Group Trust: IRS' Determination Letter, is expected soon.
- >

- > 2) Preservation of Benefits: IRS' Private Letter Ruling on is also
  - > expected soon for the three plan sponsors' preservation of benefits
  - > (for those receiving higher pensions than the IRS allows). The
  - > Council will have 60 days to act and may need support of retirees.
- >
- > 3) Roxanne's Draft Policy on SDCERS' Compliance Program will be on
  - > the Business and Governance's agenda for October.
- >
- > INVESTMENT COMMITTEE- Steve Meyer Chair
  - > Cash Overlay: Clifton Group approved for "cash overlay", using the
  - > residual cash, which is available between investment transactions,
  - > to buy futures to securitize that cash. In the short run, futures
  - > may go down, but expect good results in the long run. Benefits also
  - > include keeping more eyes on money managers.
- >
- > SDCERS' Small Cap Tilt: SDCERS invests in a higher percent of small
  - > cap than most pension systems, which has resulted in 3.25% over the
  - > normally expected bench market. While small cap may not perform for
  - > 5-7 years, the longer return is more than makes up for the wait.
- >
- > Private Equity (non- publicly traded companies): Cory Buuhoan,
  - > SDCERS' Investment Officer, reported that the next step is to hire
  - > a Private Equity Generalist. This is a fortuitous time to enter
  - > private equity, as turbulent times make for opportunities with the
  - > better firms.
  - > McCalla added that SDCERS will start to invest now, and will
  - > diversify, by spreading additional private equity buying over many
  - > years into the future.
- >
- > ERROR ELIMINATION WITH TECHNOLOGY
  - > New technology is expected to catch incorrect over/under payments.
  - > (In the meantime, remember to check your data online at SDCERS.)
- >
- > RECIPROCITY
  - > Non -agenda comment on reciprocity with other agencies: Member was
  - > not informed that there was a time limit for requesting
  - > reciprocity, and he missed the deadline by 22 days. Fourteen of
  - > those days were lost due to the system processing. Cynthia Queen,
  - > Membership Services Director, told the Board that she is meeting
  - > with the member and researching with legal, etc. in hopes of
  - > finding a solution.
- >
- > SDCERS 1st ANNUAL MEETING
  - > Attendance was approximately 150 at Balboa Park Club on September 9th.
  - > Cynthia Queen, Member Service Director posted the event on SDCERS'
  - > web site six weeks in advance. (CSDREA estimates 1/3 of its members
  - > have computers.)
  - > (Patti's Notes from the event are posted separately from this.)
- >
- > MEMBERSHIP SERVICES
  - > Cynthia Queen is busy filling five Public Information Clerk
  - > positions to answer your more detailed questions, as well as, help
  - > you with the Member Portal on the web. She mentioned two other
  - > vacancies in her report as well. No wonder she looks so busy.
- >
