FOR A VALUABLE CONSIDERATION, receipt of which is hereby acknowledged, the REDEVELOPMENT AGENCY OF THE CITY OF SAN DIEGO, a public body corporate and politic of the State of California, herein called "Grantor," acting to carry out the Redevelopment Plan for the Central Imperial Redevelopment Project, herein called "Redevelopment Plan," under the Community Redevelopment Law of the State of California, hereby grants to HAR-BRO CONSTRUCTION AND CONSULTING, INC a Nevada corporation, herein called "Grantee," the real property, hereinafter referred to as the "Property," described in the document attached hereto, labeled Exhibit A and incorporated herein by this reference.

- (1) Grantor excepts and reserves any existing street, or portion of any street, lying outside the boundaries of the Property which might otherwise pass with a conveyance of the Property.
- (2) Said Property is conveyed in accordance with and subject to the Redevelopment Plan for the Central Imperial Redevelopment Project Area which was approved and adopted on September 14, 1992 by the City Council of the City of San Diego by Ordinance No.17831[NS], as amended by a First Amendment dated January 8, 1996 and adopted by Ordinance No. 18252[NS], a Second Amendment dated December 10, 1996 and adopted by Ordinance No. 18367, and a Third Amendment dated November 14, 2000 and adopted by Ordinance No. 18882, and the Disposition and Development Agreement entered into by and between Grantor and Grantee on May 7, 2001, as amended by a First Implementation Agreement to Disposition and Development Agreement entered into on January 31, 2003, a Second Implementation to Disposition and Development Agreement entered into on September 15, 2004, and a Third Implementation Agreement to Disposition and Development Agreement entered into on July 25, 2006 (all such agreements are collectively referred to as the "Agreement") providing for the assignment of the Agreement to the Grantee. (3) The Property is conveyed to Grantee at a purchase price herein called "Basic Purchase Price," which has been determined in accordance with the uses permitted on the Property. Therefore, Grantee hereby covenants and agrees for itself, its successors, its assigns and every successor in interest to the Property that the Grantee, such successors and such assigns, shall develop, maintain and use the Property only as follows:

- (a) During the time the Redevelopment Plan is in effect, the Property shall be devoted only to the development permitted and the uses specified in the applicable provisions of the Redevelopment Plan, the Southeast Planned District Ordinance and this Grant Deed, whichever document is most restrictive.
- (b) There shall be redeveloped and constructed upon the Property two (2) light industrial/flex office facilities with each being approximately fifteen thousand (15,000) square feet or the maximum amount of allowable buildable square feet permitted by City of San Diego regulations and standards, whichever is less, together with parking facilities and appropriate landscaping, all in accordance with applicable City Codes and regulations and the plans and specifications prepared by Grantee and approved by Grantor.
- (c) Grantee shall maintain the improvements on the Property, remove all graffiti from the property within forty eight (48) hours of its application and keep the Property reasonably free from any accumulation of debris or waste materials. Grantee shall also maintain the required landscaping in a healthy condition. Grantee agrees that if the Property is not maintained as provided for hereinabove, the Grantor, after providing Grantee with written notice, may conduct the necessary maintenance on the Property at the Grantee's expense. Upon the performance of such work by the Grantee, Grantee shall have a lien on the Property in an amount equal to the cost of such maintenance work as well as all legal and administrative costs incurred by the Grantee.

Grantee agrees to participate in any Assessment District(s) created consistent with applicable state law and/or applicable regulations and ordinances of the City of San Diego. Upon formation, the Assessment District(s) shall include the maintenance of public improvements, landscaping, public lighting facilities, public places, graffiti removal and general security and incidental expenses incurred within the District, which shall include within its boundaries, but not be limited to, the Property. It is further anticipated that the maintenance of the Property under the Assessment District(s) referred to above will require a maintenance easement on a portion of the Property. Grantee hereby agrees to grant to Grantor, the City of San Diego and/or such other appropriate legal authority an easement on the Property for the purpose

of landscape maintenance. Such easement shall be recorded upon the request of the Grantor.

- (d) Grantee and all persons claiming under or through them, including without limitation tenants, lessees, subtenants, sublessees and any other operator of a business on the Property, or any portion thereof, shall provide a right-of-first preference in employment practices as set forth in the Employment and Training Requirement, incorporated herein and attached hereto as Exhibit B.
  - (e) Grantee shall not store any materials, equipment, supplies or products outside the buildings and structures developed on the Property unless prior written approval is obtained from the Agency. If any outdoor storage is approved, it shall be screened from the public view with fencing and landscaping. Chain link fencing shall not be permitted as a screening material.
  - (f) That upon the sale or conveyance of the Property or any portion thereof, resulting in the removal of the Property or any portion thereof, from the San Diego County property tax roll, Grantee or its successors in interest or assigns shall pay an "Additional Purchase Price" to the Grantor upon the close of escrow of such sale in the amount set forth in Exhibit "C" attached hereto and fully incorporated herein by this reference.
- (4) Prior to the recordation of a Release of Construction Covenants issued by the Grantor for the improvements to be constructed on the Property or on any part thereof;
- (a) The Grantee shall not make any sale, transfer, conveyance or assignment of the Property or any part thereof or the buildings or structures thereon, without the prior written approval of Grantor, except as expressly permitted by this paragraph (4) of this Grant Deed. In the event that the Grantee does sell, transfer, convey or assign any part of the Property or buildings or structures thereon, prior to the recordation of a Release of Construction Covenants, in violation of this Grant Deed, the Grantor shall be entitled to increase the Purchase Price paid by the Grantee by the amount that the consideration payable for such sale, transfer, conveyance or assignment is in excess of the Basic Purchase Price paid by the Grantee, plus the cost of improvements and development, including carrying charges and costs relating thereto. The consideration payable for such sale, transfer, conveyance or assignment to the extent it is in excess of the Basic Purchase Price paid by the Grantee, plus the costs of improvements and development, including carrying charges and costs related thereto, shall belong and be paid to the Grantor and until paid the Grantor shall have a lien on the Property and any part involved for such amount. This prohibition shall not be deemed to prevent the granting of easements or permits to facilitate the development of the Property, nor shall it prohibit granting any security interests permitted by paragraph (4)(b) of this Grant Deed for financing the acquisition and

development of the Property. The lien created hereby shall be subordinate and subject to any such security interests.

- (b) The Grantee shall not place or suffer to be placed on the Property any lien or encumbrance other than mortgages, deeds of trust, conveyances and lease-backs or any other form of conveyance required for any reasonable method of financing of the acquisition of the Property, the construction of improvements on the Property, and any other expenditures necessary and appropriate to develop the Property. The Grantee shall notify the Grantor in advance of any such conveyance for financing if the Grantee proposes to enter into the same prior to recordation of a Release of Construction Covenants for the improvements to be constructed on the Property. The Grantee shall not enter into any such conveyance for financing without prior written approval of Grantor, which approval Grantor agrees to give if any such conveyance is to a responsible financial or lending institution or other acceptable person or entity.

(5) Prior to the recordation of a Release of Construction Covenants issued by the Grantor for the improvements to be constructed on the Property or on any part thereof:

- (a) The Grantor shall have the right at its option to reenter and take possession of the Property hereby conveyed with all improvements thereon and to terminate and revest in the Grantor the Property hereby conveyed to the Grantee if the Grantee (or its successors in interest) shall:
- (i) Fail to commence construction of the improvements as required by this Grant Deed for a period of three (3) months after written notice to proceed from the Grantor, provided that Grantee shall not have obtained an extension or postponement to which Grantee may be entitled; or
  - (ii) Abandon or substantially suspend construction of the improvements for a period of three (3) months after written notice of such abandonment or suspension from the Grantor, provided that Grantee shall not have obtained an extension or postponement to which Grantee may be entitled; or
  - (iii) Transfer, or suffer any involuntary transfer of, the Property, or any part thereof in violation of this Grant Deed, and such violation shall not be cured within thirty (30) days after the date of the receipt of written notice thereof by the Grantor to the Grantee.
- (b) The right to reenter, repossess, terminate and revest shall be subject to and be limited by and shall not defeat, render invalid, or limit:
- (i) Any mortgage or deed of trust or other security interest permitted by paragraph (4)(b) of this Grant Deed; or

- (ii) Any rights or interests provided for the protection of the holders of such mortgages, deeds of trust, or other security interests.
- (c) The right to reenter, repossess, terminate and revest shall not apply to the Property, or portions thereof, for which a Release of Construction Covenants has been issued by the Grantor and recorded.
- (d) In the event title to the Property or any part thereof is revested in the Grantor as provided in this paragraph (5), the Grantor shall, pursuant to its responsibilities under state law, use its best efforts to resell the Property or such part thereof as soon and in such manner as the Grantor shall find feasible and consistent with the objectives of such law and of the Redevelopment Plan to a qualified party or parties (as determined by the Grantor) who will assume the obligation of making or completing the improvements or such other improvements in their stead as shall be satisfactory to the Grantor and in accordance with the uses specified for such Property or part thereof in the Redevelopment Plan. Upon such resale of the Property the proceeds thereof shall be applied:
  - (i) First, to pay off the holders of any mortgage, deed of trust, or other security interest permitted by this Grant Deed, unless such holders approve the person or entity to whom the Grantor intends to sell; and
  - (ii) Second, to reimburse the Grantor, on its own behalf or on behalf of the City of San Diego for all costs and expenses incurred by the Grantor, including but not limited to salaries to personnel engaged in such action, in connection with the recapture, management, and resale of the Property or part thereof (but less any income derived by the Grantor from the Property or part thereof in connection with such management); all taxes, assessments, and water and sewer charges with respect to the Property or part thereof (or, in the event the Property is exempt from taxation or assessment or such charges during the period of ownership thereof by the Grantor, then such taxes, assessments, or charges, as would have been payable if the Property were not so exempt); any payments made or necessary to be made to discharge or prevent from attaching or being made any subsequent encumbrances or liens due to obligations, defaults, or acts of the Grantee, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the agreed improvements or any part thereof on the Property or any respective parts thereof; and any amounts otherwise owing to the Grantor by the Grantee and its successor or transferee; and
  - (iii) Third, to reimburse the Grantee, its successor or transferee, up to the amount equal to: the sum of (1) the Purchase Price paid to the Grantor by the Grantee for the Property (or allocable to the part thereof), and (2) the costs incurred for the development of the Property (or such part thereof) and for the

improvements existing thereon at the time of reentry and repossession; less (3) any gain or income withdrawn or made by the Grantee from the Property (or such part thereof) or from the improvements thereon. For purposes of this paragraph the term "cost incurred" shall include direct, out-of-pocket expenses of development, but shall exclude Developer's general overhead expense.

- (iv) Any balance remaining after such reimbursements shall be retained by the Grantor as its property.
- (e) To the extent that this right of reverter involves a forfeiture, it must be strictly interpreted against the Grantor, the party for whose benefit it is created. This right is to be interpreted in light of the fact that the Grantor hereby conveys the Property to the Grantee for development and not for speculation in undeveloped land.
- (6) Grantee covenants and agrees for itself, its successors, its assigns and all persons claiming under or through them that there shall be no discrimination against or segregation of any person or group of persons on account of race, color, creed, religion, sex, marital status, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the Property, nor shall Grantee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees in the Property. The foregoing covenants shall run with the land.
- (7) All deeds, leases or contracts made relative to the Property, improvements thereon, or any part thereof, shall contain or be subject to substantially the following nondiscrimination or nonsegregation clauses:
  - (a) In deeds: "The grantee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of sex, marital status, race, color, creed, religion, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land herein conveyed, nor shall the grantee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, uses or occupancy of tenants, lessees, subtenants, sublessees or vendees in the land herein conveyed. The foregoing covenants shall run with the land."
  - (b) In leases: "The lessee herein covenants by and for itself, its successors and assigns, and all persons claiming under or through them, and this lease is made and accepted upon and subject to the following conditions:

That there shall be no discrimination against or segregation of any person or group of persons, on account of sex, marital status, race, color, creed, religion, national origin or ancestry in the leasing, subleasing, renting, transferring, use, occupancy, tenure or enjoyment of the land herein leased, nor shall lessee itself, or any person claiming under or through it, establish or permit such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, sublessees, subtenants or vendees in the land herein leased."

- (c) In contracts: "There shall be no discrimination against or segregation of any person or group of persons on account of sex, marital status, race, color, religion, creed, national origin or ancestry in the sale, lease, sublease, transfer, use, occupancy, tenure or enjoyment of the land, nor shall the transferee itself or any person claiming under or through it, establish or permit any such practice or practices of discrimination or segregation with reference to the selection, location, number, use or occupancy of tenants, lessees, subtenants, sublessees or vendees of the land."

(8) All conditions, covenants and restrictions contained in this Grant Deed shall be covenants running with the land, and shall, in any event, and without regard to technical classification or designation, legal or otherwise, be, to the fullest extent permitted by law and equity, binding for the benefit and in favor of, and solely enforceable by Grantor, its successors and assigns, and the City of San Diego and its successors and assigns, against Grantee, its successors and assigns, to or of the Property conveyed herein or any portion thereof or any interest therein, and any party in possession or occupancy of said Property or portion thereof.

(9) All rights, duties, and obligations under the DDA, which pursuant to paragraph (2) of this Grant Deed are specifically referenced and incorporated into this Grant Deed, shall automatically terminate and become null and void upon recordation of a Release of Construction Covenants issued by the Grantor for the Property. Every other covenant and condition and restriction contained in this Grant Deed shall remain in effect during the duration of the Redevelopment Plan, until January 10, 2031. The covenants against discrimination set forth in paragraphs (6) and (7) of this Grant Deed shall remain in perpetuity.

(10) In amplification and not in restriction of the provisions set forth hereinabove, it is intended and agreed that Grantor shall be deemed a beneficiary of the agreements and covenants provided hereinabove both for and in its own right and also for the purposes of protecting the interests of the community. All covenants without regard to technical classification or designation shall be binding for the benefit of the Grantor, and such covenants shall run in favor of the Grantor for the entire period during which such covenants shall be in force and effect, without regard to whether the Grantor is or remains an owner of any land or interest therein to which such covenants relate. Grantor shall have the right, in the event of any breach of any such agreement or covenant, to exercise all the rights and remedies, and to maintain any actions at law or suit in equity or other proper proceeding to enforce the curing of such breach of agreement or covenant.

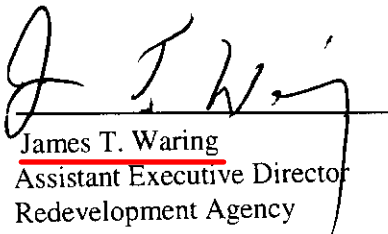

(11) None of the terms, covenants, agreements or conditions heretofore agreed upon in writing in other instructions between the parties to this Grant Deed with respect to obligations to be performed, kept or observed by Grantee or Grantor in respect to said Property or any part thereof after this conveyance of said Property shall be deemed to be merged with this Grant Deed until such time as a Release of Construction Covenants issued by the Grantor is recorded for the Property conveyed hereby or such part thereof.

(12) The covenants contained in this Grant Deed shall be construed as covenants running with the land and not as conditions which might result in forfeiture of title. The Agreement (incorporated by reference by paragraph (2) herein) contains a right of reentry in favor of the Grantor effective until recordation of a Release of Construction Covenants by the Grantor for the Property.

IN WITNESS WHEREOF, the Grantor and Grantee have caused this instrument to be executed on their behalf by their respective officers hereunto duly authorized this 28 day of December, 2006
