Hello again, Mr. Story.

If we go with the possibility of a 1 1/2 hour meeting, we should begin at 11am. I've cleared that time with the reviewers, so once I hear from you I'll book the room.

Thanks.

Good morning, Mr. Story.

I've checked everyone's schedules and as of right now, it looks like either **Thurs, July 6th @ 10am** or **Mon, July 10th @ 11:30am** will be the soonest available dates for a meeting.

If either of these dates work for you, let me know as soon as possible and I will schedule it.

Thank you.

John,

We will resubmit our project with responses to comments today or tomorrow. Per my earlier msg, I'd like to schedule a meeting with you, our architects and some of the reviewing disciplines, specifically Darren Genova, Farah Mahzari, Lesley Henegar Craig Hooker and Jeff Harkness.

The key issues from our end are the suggestion to have 10% retail in the residential buildings, urban design, height limit, Ground floor entries, SDGE substation, ADT's and tandem parking and park design.

I'd like to schedule this meeting as soon as possible but we will not hold up the resubmittal pending this meeting.

I will be out of the office this Fri (the 30th) thru Tuesday the 4th, returning on the 5th. Pls let me know what dates will work for this meeting. Thank you.
