Hi Kelly.

Yes, Jim Waring has been involved. In fact, he recently (within the last month or two) led a meeting between Sunroad and SDG&E that was attended by the bigwigs of Sunroad, attorneys for SDG&E, Gary, Bob Manis, Jeannette, and myself.

John,

Has Jim Waring been involved with this project? If not, he should not be getting emailed on this kind of stuff. K

Good evening, ladies and gentlemen.

Please read, duly note, and make a copy of the letter attached to the forwarded email for your files.

Thank you.

John Cruz
